

February 2022 Newsletter

PRINCIPAL'S MESSAGE

Dear Parents and Guardians,

The last few months were definitely filled with challenges; I wish to thank you all for your resilience and patience.

Looking at the month ahead, we are 4 weeks short of Winter Break and the students are working hard at completing their evaluations for the first term.

Many special activities are happening in February, please refer to the calendar for the full information.

Kind regards,

Ms. Bond

MHES ALUMNI AT THE BEIJING OLYMPICS!!!!!!!!!!

Morin Heights Elementary School would like to congratulate our former student, Olivia Bouffard Nesbitt, who will be competing in cross-country skiing events at the 2022 Winter Olympic games in Beijing. Olivia, having grown up in Morin Heights, was a student here at Morin Heights Elementary School from Kindergarten to Grade 6. She was an avid cross-country skier even in her young years, winning several cross-country ski banners for MHES. Olivia skied with the Viking Ski Club and then with Les Fondeurs. Olivia has visited MHES in the past to share her love of cross-country with our students.

While Olivia's races have not all been determined as yet, the first women's event is February 8 – women's individual sprint freestyle and February 10 women's 10km classical with other races to come. Here is the schedule: <https://olympics.com/beijing-2022/olympic-games/en/results/cross-country-skiing/olympic-daily-schedule.htm> .

In partnership with the municipality of Morin Heights, MHES students will be sending Olivia positive messages for her events, stay tuned!

We wish Olivia the very best success in all her races!

Go Olivia!!
